Additional Backup Information

On May 24, 2012, the City Council directed the City Manager to identify areas and processes within the Planning and Development Review, Fire and Watershed Protection departments that were causing process delays in reviews, permitting and inspections. Approval of this ordinance will add eleven new full-time equivalent (FTE) employee positions in the Planning and Development Review and three new full time equivalent (FTE) employee positions in the Austin Fire Department. The FTEs proposed by this action will address staffing deficiencies which have been identified in the Development Assistance Center, Plan Review, Inspections and Technology Information Services. Staff will continue to review policies and procedures to identify additional process improvements.
